

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Thursday 13 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Sunny intervals and scattered showers today, some eastern areas cloudy.

Today:

Most areas will have a bright day with sunny spells and scattered showers, locally heavy in southwest. Cloudier and colder in the far northeast, Lothian and Berwickshire.

Tonight:

Bright end to the day in central and western areas, showers gradually dying out. Then low cloud extending westwards, a little light rain in the east.

Friday:

Mostly cloudy morning, patchy rain in the east dying out. Mainly dry in the afternoon with some brightness in places, and just a few showers.

Outlook for Saturday to Monday:

Showers in the south on Saturday, south mainly dry. Staying rather unsettled with scattered showers on Sunday and Monday.
